

THE ALTONA

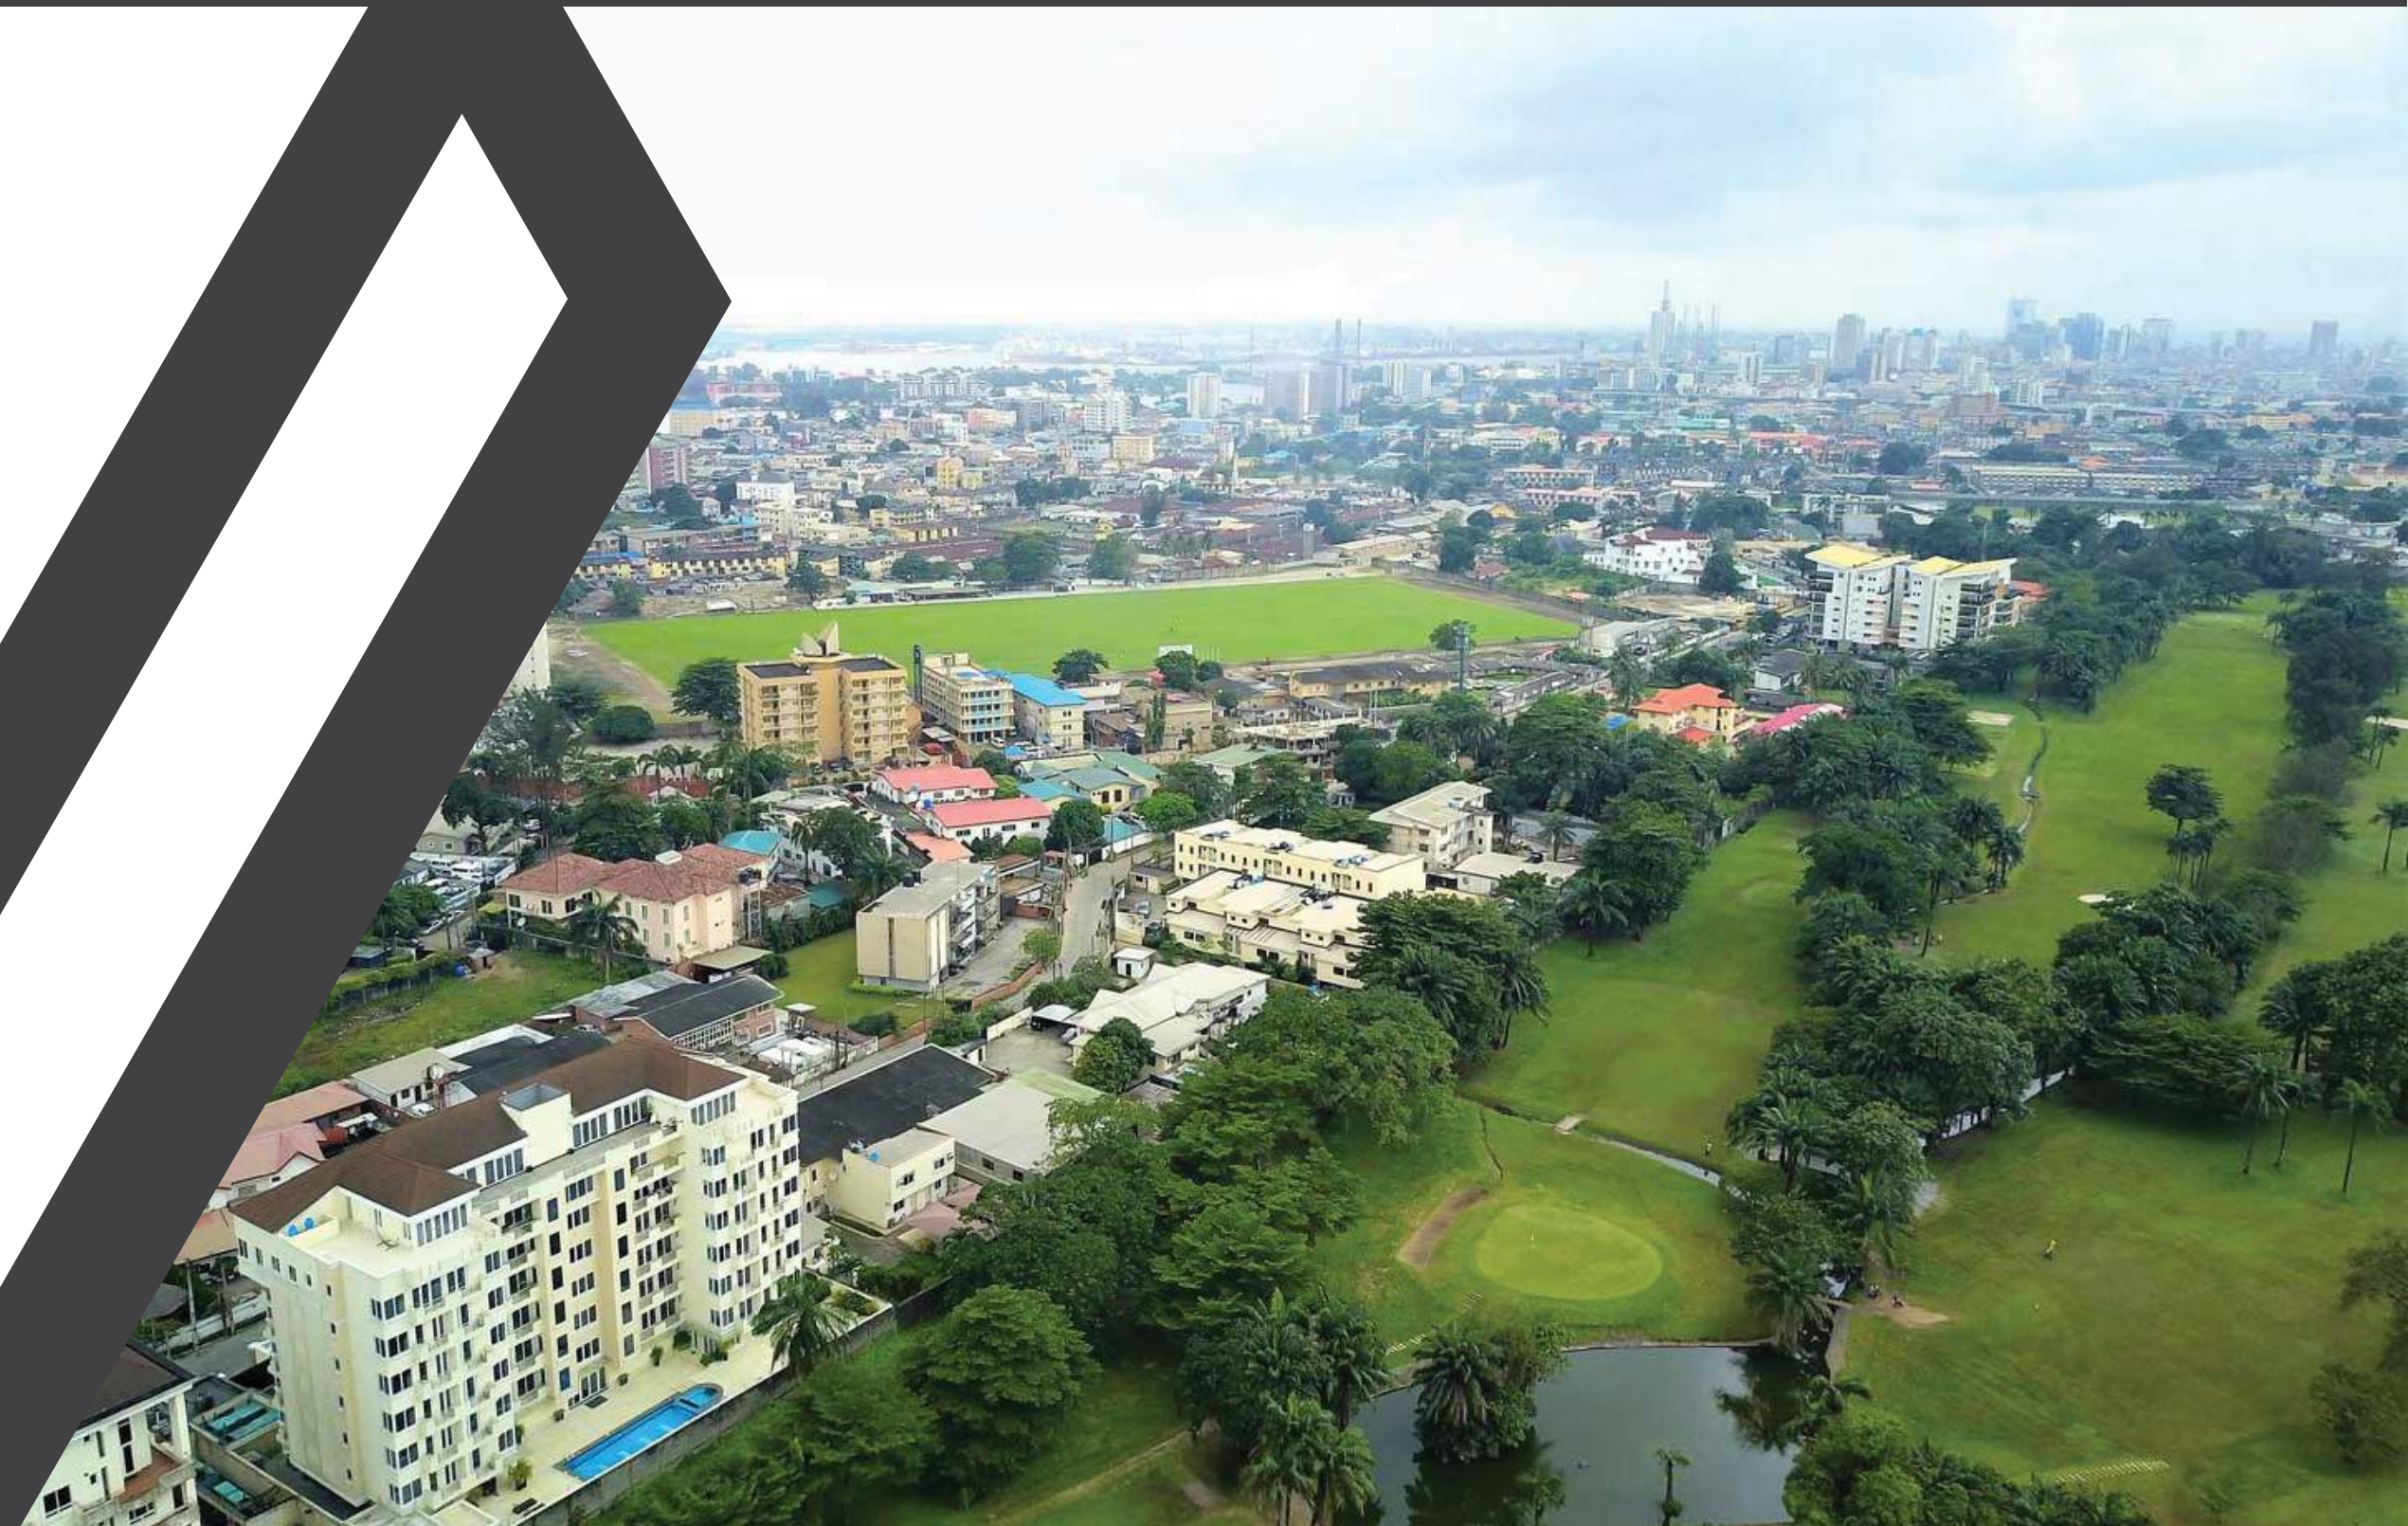

Introducing AbigailMichael's first property development, a masterpiece sitting on 1,800 square meters in the prestigious location of Ikoyi, Lagos.

'The Altona on McDonald' is a product of our genuine understanding of luxury, honed in over 14 years of building the well-known 'IL Bagno' Brand.

The Altona is a response to the most sophisticated demands of our premier clients, a desire to bring together the finest of interior finishes to the most desired of locations to create the ultimate lifestyle solutions for clients who appreciate the finer things in life. With 8 units of 3-bedroom flats and 2 penthouses, The Altona Residences are as exclusive as it gets.

There is more to life than ordinary

Edged between the peace of the Lagos Lagoon and the bustle of the metropolitan city,

The Altona on McDonald introduces you to the best of both worlds and a whole new way to live life...LUXURIOUSLY!

THE ALTONA

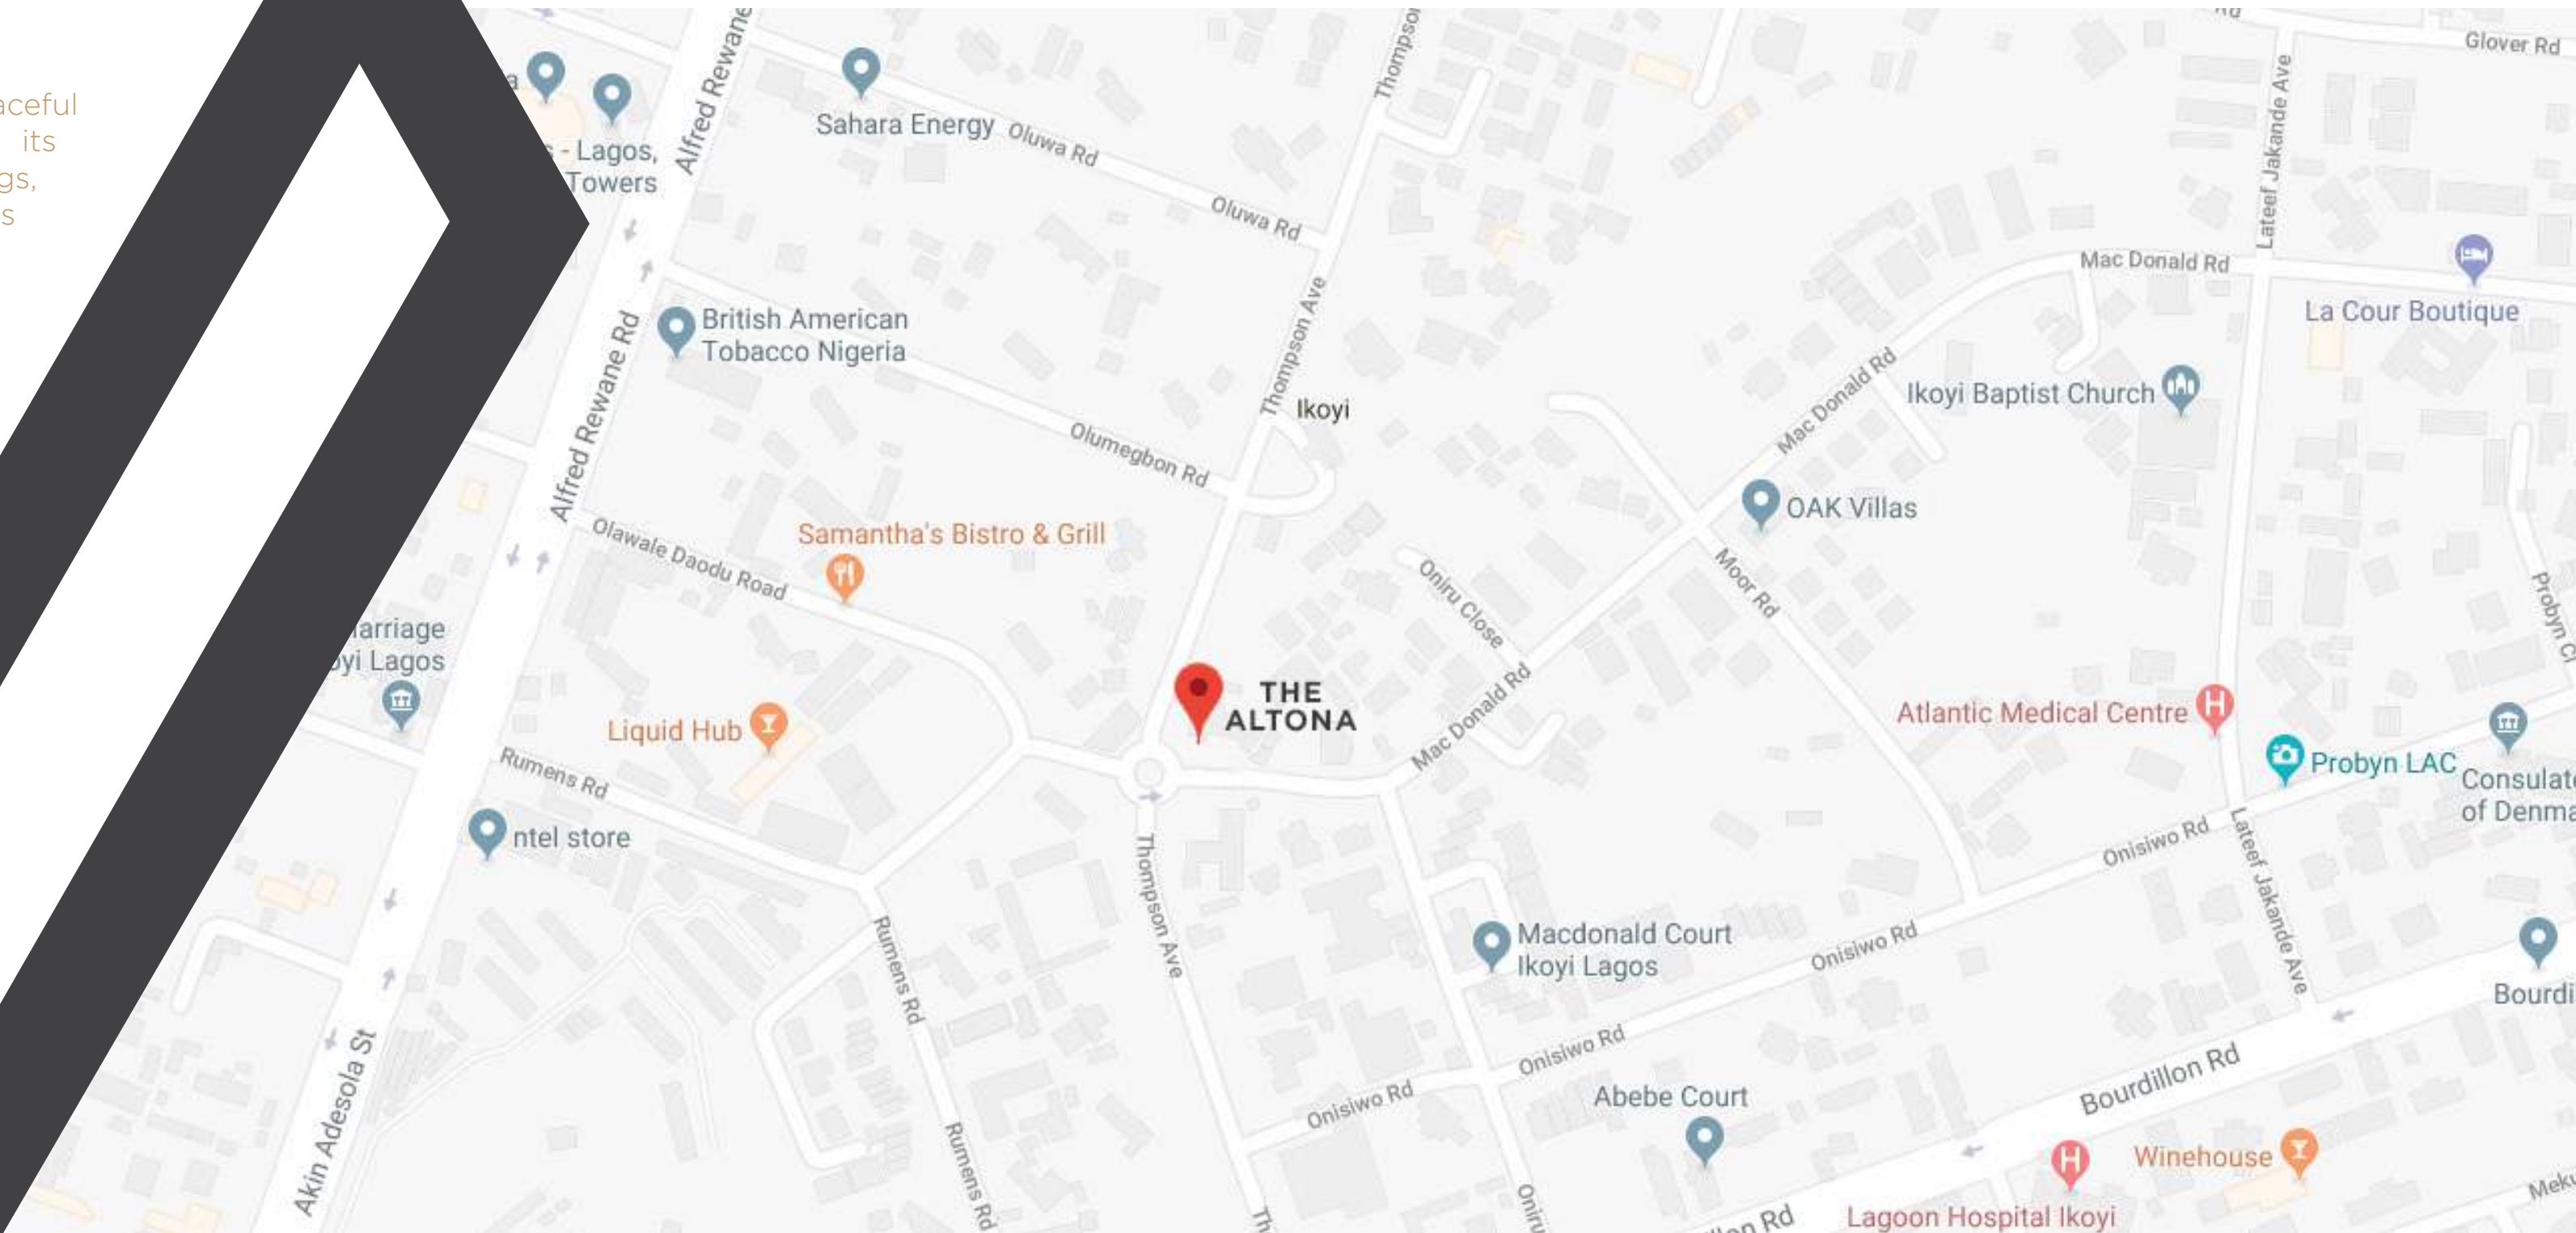

Exclusive

The Altona is an exclusive new development set in the beautiful suburb of Ikoyi, offering a selection of luxury apartments all set within a beautifully landscaped gated garden.

Ikoyi screams affluence and peaceful cosmopolitan vibes always; with its many high-rise apartment buildings, five-star hotels, and one of Africa's largest golf courses.

In a nook that separates you from the rest of the city but still makes every thing that matters accessible to you,

Sophisticated

The Altona on McDonald provides an unrivalled standard of living unsurpassed by any development before now. Each flat is finished to meet the highest standards available anywhere in the world.

The quality of services and facilities that The Altona provides will ensure a life lived to the fullest for every resident.

Prestigious

The Altona on McDonald sits perfectly at the intersection of Thompson Avenue and McDonald Road, in the heart of highbrow Ikoyi.

Finished to perfection, it is the IL Bagno 'sweet shop' come to life, a dream come true for our interior designers and architects.

The brief was for them to create their dream project. They held nothing back. You only need enter our world to experience the new way to live

A family consisting of a woman, a young boy, and a man are walking on a paved path. The woman is wearing a red jacket and carrying a large white sun hat and a colorful patterned bag. The boy is wearing a blue t-shirt and light-colored shorts. The man is wearing an orange shirt and light blue shorts, carrying a blue jacket over his shoulder. They are walking past the rear of a white convertible car. The background shows a building with a dark door and some greenery.

Airy and spacious mixture of elegance, class, style and nature to give a perfect blend of live, work and play environment.

Luxury is a promise of quality achieved by the application of a high level of innovation and the refinement of established standards on every level. It is a concept defined by the finest materials and expert craftsmanship, that produces exceptional and unparalleled aesthetics in product design, or meticulous attention to detail and precision in the delivery of a service.

AMENITIES

The Altona provides a superior standard of living.

Each home has been crafted and finished to a high standard incorporating many desirable details from Italian and German designed kitchens to Italian doors and tiles to all bathrooms, bedrooms and living areas.

The prestigious penthouse also features mood-control lighting, and outdoor living areas.

The exceptional quality is also reflected in the services and facilities available. Security features include entry to the development via secure electric gates and video entry phone system. CCTV technology is installed throughout and all homes are pre-wired for an alarm system of choice.

Added benefits include a dedicated concierge and off-street secure parking for all residents, as well as ample visitor parking outside. The property also has Valet parking for residents during daytime hours
